Name of the course Program/ Course Category.	Month	Venue
Technical Courses		
Concrete Floors & Pavements Design		
Earthworks Engineering, Rock and Soil Mechanics seminar	18TH-19TH MARCH 2021 VIRTUAL & ONLINE	Mercure Hotel Randburg
Water Quality Management & Risk Assessment		
Water Treatment Plant Design		Sierra Hotel
Mastering Building Inspection		
Concrete Technology		Sierra Hotel
Storm water System Design		
Structural Renovation of Buildings	18TH-19TH FEBRUARY 2021 VIRTUAL & PUBLIC	Mercure Hotel Randburg
Reverse Osmosis	4TH-5TH MARCH 2021 VIRTUAL & PUBLIC	Mercure Hotel Randbur g
Embankment Design, Construction, Slope Stability, Settlement Analysis and Seepage Control	3RD-5TH FEBRUARY 2021 VIRTUAL & PUBLIC	Mercure Hotel Randburg
Water and Agriculture Microbiology, Toxicology & Biofilms	21ST -22ND JANUARY 2021 VIRTUAL & PUBLIC	Mercure Hotel Randburg
Maximizing Pavement Life 2days Seminar	11TH-12TH FEBRUARY 2021 VIRTUAL & PUBLIC	Mercure Hotel Randburg
Best Practices in Water Treatment process Sampling and Testing	25TH-26TH FEBRUARY 2021 VIRTUAL & PUBLIC	Mercure Hotel Randburg
New Innovation of Self Healing Concrete 1day Seminar	29TH JANUARY 2021 VIRTUAL & PUBLIC	Mercure Hotel Randburg
Advanced Materials & Technology in Concrete Industry	4TH-5TH MARCH 2021 VIRTUAL & PUBLIC	Mercure Hotel Randburg
Mining Courses		
Sampling Theory and Methods		
A Practical Approach to Geostatistical Mineral Resource Estimation		
Rock Mass Classification		
Sustainable Development in Mining & Industry		
Decision Making for Mining Investments		
Mine Financial Valuation and Optimization		
Valuation of Mineral Assets		
Mine Project Planning and Control		
Slope Stability Designs Requirements		
OHS (Occupational Health and Safety)		
Zero Tolerance of Accidents in the work place		
Incident and Accident Investigation, Root Cause Analysis and Report Writing		
Handling and Storage of Hazardous Substances		
HIRA (Hazard Identification and Risk Assessment)		
Evacuation of Chair		
Working at Heights		

Electrical Courses		
Uninterruptable Power Supply Systems	3RD-5TH MARCH 2021 VIRTUAL & PUBLIC	Mercure Hotel Randburg
Earthing and Lighting Protection		
MV/LV Electrical Reticulation Design, Installation course		
Electric Metering Operations		
Transformer Operational Principles: Design, Maintenance, Selection, Testing and Troubleshooting		
Electrical Reticulation Design, Installation and Upgrade		
Practical LV/MV/HV Switchgear Design, maintenance and Troubleshooting		
Process Plant Valve: Introduction and Selections		
ELECTRICAL TRANSMISSION & DISTRIBUTION OPERATION & DESIGN CALCULATIONS	1ST-2ND APRIL 2021 VIRTUAL & PUBLIC	Mercure Hotel Randburg
Maintenance Courses		
Plant Maintenance, Condition Monitoring and Vibration Analysis		
Rolling Stock Operations, Maintenance and Failure Analysis		
Substation Design, Inspection and Maintenance		
Bridge Design, Inspection and Maintenance		
API 570 Pipeline Inspection		
Terminal Automation and Cargo Handling		
Substation Design and Maintenance		
Railway Line Maintenance		

Soft Skills Courses		
Integrated Community Development Planning		
Public Sector Monitoring and Evaluation		
The Supreme Office Professionals		
Advanced Electronic Records Management and File Archiving		
Policy Writing, Implementation and Evaluation		
Management Skills for Office Administrators		
Systematic HR Management Processes, Culture and Change Management		
Presentation and Public Speaking Skills		
Change Management		
Grievance and Disciplinary Procedures		
Rolling Stock Operations, Maintenance and Failure Analysis		
Public Finance Management Act		
Agro Processing		
Job Description Development Training		
Contract Law for Non-Lawyers		
Fundamentals of Successful Project Management		
Supervisory to Middle Management Leadership Development		
Customer Care and Service Excellence		
Corporate Governance and The King III		
Forensic Investigations and Auditing
